Landfill Operators Certification Training

October 16-19, 2006

Julian R. Fleming Training Center
Murfreesboro, Tennessee

Purpose

The Landfill Operators Certification Training Program is designed to provide certification for Class 1 Landfill Operators in accordance with TCA 68-211-853. You will gain invaluable information concerning the basic skills and regulations required to operate a landfill.

Who Should Attend

All landfill owners and operators are encouraged to attend this "state certification" program. Any other interested parties involved in landfill operations are welcome as well, including Class II, III and IV landfill operators.

Date, Time & Location

The Landfill Operators Certification Training Program will be held at the Julian R. Fleming Training Center in Murfreesboro, October 16-19, 2006. This four-day course will begin promptly at 10 a.m. CDT on Monday, October 16th, and will conclude at noon, Thursday, October 19th. Applicants needing certification must take the test on Thursday.

NOTE: Bring hard-soled boots/shoes and appropriate clothing for landfill visit and surveying exercise.
